

VOLUNTEER WITH US!

Experience what it means to
create a sustainable, local food system

Sign up here!

The Santa Barbara Agriculture and Farm Education Foundation's mission is to educate and empower the next generation of farmers and to ensure food security for all communities.

Farm: Learn regenerative agriculture techniques by planting, transplanting, harvesting, and more!

CSA: Put together and deliver our free weekly CSA boxes.

Cooking & Baking: Make pastries, tortillas, & more for our farm cart, CSA, and youth program partnership.

Social Media: Help us grow our social media presence!
