

FARM INTERNSHIP

Join the regenerative
agricultural revolution!

ABOUT

Sweet Wheel Farm & Flowers is a 6-acre farm operating under the Santa Barbara Agriculture and Farm Education Foundation. We empower and educate future farmers, promote sustainable agriculture, and champion food security.

DETAILS

Join our Regenerative Agriculture Internship for hands-on experience tailored to your interests—whether in sustainable practices, social media, nonprofit management, or running our farm cart. It's more than an internship; it's your platform to learn, contribute, and grow within our farm and community.
